- (2) A teacher applying for leave under this clause must state the period of such leave and the reason for which the leave is being sought.
- (3) Leave without pay does not involve loss of continuity of service for salary, sick leave and long service leave purposes. Any period exceeding two weeks during which the teacher is absent on leave without pay shall not be taken into account in calculating the period of service for any purposes of this Agreement. In the case of leave without pay, which exceeds eight weeks in a continuous period, the entire period of that leave is excised in full.
- (4) If a teacher is granted leave without pay the question of the teacher's specific duties on return to work should be considered before the granting of such leave and any arrangements made documented.  - (c) where an agreement has been reached for the taking of long service leave and circumstances arise that necessitates an adjustment of such leave, then any request for the adjustment shall not be unreasonably withheld.
- (5) Where the continuous service of a teacher during the period of accrual contains any period which is less than full time then that teacher's entitlement shall be calculated as follows;
- (a) the number of weeks accrued shall be in accordance with subclause (1) above; and
 - (b) payment for the period accrued shall be the average that the teacher's hours bears to that of a full time teacher over the accrual period.
- (6) The teacher continues to accrue long service leave entitlement for any period during which the teacher is absent on full pay from his/her duties; long service leave does not accrue for any period exceeding two weeks during which the teacher is absent on unpaid leave.
- (7) For the purposes of calculating long service leave entitlement:
- (i) where the employer terminates the teacher's employment and re-employs the teacher within 2 school terms the employer shall recognise all prior service with the school.
 - (ii) where a teacher resigns and is re-employed within 2 school terms the recognition of any prior service with the school and the entitlement associated with that service shall be at the discretion of the Principal and confirmed in writing at the time of re-employment.

- (8) Vacation leave observed by the school shall count for the purposes of calculating a teacher's entitlement to long service leave.
- (9) Any public holiday which occurs during the period a teacher is on long service leave shall not be treated as part of the long service leave and extra days in lieu thereof shall be granted.
- (10) Where a teacher has become entitled to a period of long service leave in accordance with this clause, the teacher shall commence such leave within two (2) years of the entitlement accruing, unless mutually agreeable arrangements have been made between the teacher and the Principal by one of the following options:
- (a) as a term with the excess entitlement being retained as unused accrued long service leave; or
 - (b) as a semester, with approved leave without pay for that portion which exceeds the fully accrued long service leave entitlement; or

- (c) with the agreement of the employer, as a term with the excess entitlement being paid in lieu; or
- (d) with the agreement of the employer, a lesser period may be taken than that prescribed in this subclause.
- (e) where a period of leave of less than 2 weeks is being requested the requirements of sub clause (4)(b) of this clause do not apply.

(Notation: For the purposes of this subclause a semester is defined as school terms 1 and 2 or 3 and 4.).

- (f) Having made reasonable attempts to organise mutually agreeable arrangements without success, the teacher may at the discretion of the employer be instructed to take the leave during the following year.

Such discretion will not be exercised harshly or unfairly.

- (11) Payment for long service leave shall be made in full before the teacher goes on leave, or by agreement between the teacher and the employer at the same time as the teacher's salary would have been paid if the teacher had remained at work.

- (12) Where a teacher has completed at least 5 continuous years of service and employment is terminated –

- (a) by the teacher's death; or
- (b) in any circumstances, other than serious misconduct

the amount of leave shall be such as has accrued under the provisions of subclause (1) of this clause.

- (a) upon termination of employment otherwise than by death, pay to the teacher; or
- (b) upon termination of employment by death, pay to the authorised representative of the teacher,

a sum equivalent to the amount which would have been payable in respect of the period of leave to which he/she is entitled or deemed to have been entitled and which would have been taken but for such termination.

Such payment shall be deemed to have satisfied the obligation of the employer in respect of leave hereunder.

- (14) Accrued Long Service Leave entitlements are portable between ASC schools.

- (15) (a) Where a teacher is ill during a period of long service leave and produces at the time, or as soon as practicable thereafter, medical evidence that would satisfy a reasonable person that as a result of illness or injury the teacher was confined to their place of residence or a medical facility for a period of at least (14) consecutive calendar days, the employer shall grant sick leave for the period during which the teacher was so confined and reinstate long service leave equivalent to the period of confinement.

The following arrangements are effective from the January 2013 pay period and only apply to teachers who were employed in ASC schools on 16 December 2008. This arrangement is not retrospective for pay periods prior to 1 January 2013.

Commencing 1 January 2013, teachers who were employed on 16 December 2008 at steps 6, 7, 8, 9 will progress up the salary scale as follows:

- (a) Teachers paid at step 6 on 16 December 2008 progressed to steps 7 and 8 on their anniversary dates in 2009 and 2010 (converted to the new step 3 in the restructure of February 2010). This group received a graduate allowance of \$1,600 in 2009 and will continue to progress to the appropriate incremental step via normal processes.
