ADMISSIONS POLICY

THE ANGLICAN SCHOOLS COMMISSION (INC)
ADMISSIONS POLICY

The Admissions Policy will be implemented by the Principal in consultation with school Council in accordance with the guidelines agreed as established by the Anglican Schools Commission.

The Principal will normally interview parents and the potential student prior to an offer of a place. Such interviews will give parents the opportunity to provide additional educational and personal information and to discuss the School's aims and policies.

The following points are to form part of a school-based policy:

a. Class size maxima are as follows:

- Kindergarten: 25
- Pre-primary: 25-32
- Years 1-7: 32
- Years 8-10: 32
- Years 11-12: 25-27

b. Siblings of students already enrolled, or previously enrolled, will be given preference. The effect of sibling enrolments on the school's gender should be considered.

c. Preference will be given to practising members of the Anglican Church and others with an active Christian commitment.

d. Children who are educationally handicapped as a consequence of a disability, should be offered a place.

e. Children with special needs whose needs can be met by the School's facilities.

f. Schools should ensure that they have received parental acceptance of the School's policy and objectives prior to confirming a place. 
   Note: A written undertaking will be required.

g. The date of application will normally be a factor in deciding precedence in each category.
   Note: In the foundation year of the School, the date of application for admission will not be a significant factor.

h. Schools should endeavour to achieve a gender balance
